TOURNAMENT OF HEARTS**

**SILVER FOX CURLING  
AND YACHT CLUB  
JANUARY 22<sup>ND</sup> – 26<sup>TH</sup>, 2009**

It is my pleasure on behalf of Kruger Products and our parent Kruger Inc. to welcome curlers and fans to this Scotties Tournament of Hearts provincial championship.

As the longest corporate sponsor of amateur sport in Canada, we continue to be very proud of our association with women's curling. Curling is often referred to as "Canada's other winter sport". It is an important part of our heritage, enjoyed by people of all ages in communities from coast to coast to coast.

At the heart of curling is teamwork. We see this on the ice - whether the game is recreational or competitive. And we see it in the organization of championships like this one. Your host committee is to be commended for their time, efforts, and attention to the myriad of details that will make this Scotties Tournament of Hearts a resounding success.

For 28 years, we have worked closely with your provincial association to help promote curling and showcase the athletes that aspire to Canadian and International levels. Canada has long been known as a powerhouse of talent on the national and world stage. With the Olympics just a year away, the eyes of the world will be on our country and our champions. It's an exciting time for our sport and we look forward to the future.

Our sincere thanks to everyone involved in the hosting of this championship including the volunteers and local sponsors. Ultimately, it is the loyalty of curlers to our brands that is at the core of this very successful sponsorship - brands like Cashmere and Purex bathroom tissue, SpongeTowels and of course Scotties facial tissue.

On behalf of everyone at Kruger Products, thank you for continuing to purchase our products for your homes, businesses and curling clubs.

Good luck to all participating teams. While there can only be one winner and one team that will represent your province at the 2009 Scotties Tournament of Hearts in Victoria, BC, reaching this provincial championship is in itself a significant milestone.

Good curling!  
Warm regards,

Mario Gosselin

Welcome Curlers and guests.

On behalf of the PEI Curling Association's board and member clubs, we hope that you enjoy the hospitality of the Silver Fox Curling Club. We thank the club for their support and all the volunteer hours put in by the membership to have such an outstanding venue to host this Provincial Championship.

To Kruger Products, COO Mario Gosselin, representative Jocelyne Foster, and their thousands of employees, our deepest appreciation for their continued support, not only to Women's Curling but also to the Provincial Organizations.

This support has made this event a crown jewel in a curler's book of special achievements and events.

Curlers, may you, participating in this, our 58<sup>th</sup> Provincial Women's Curling Championship, enjoy the opportunity to share in the camaraderie of good competition and fellowship.

The PEICA is a volunteer organization, with a paid Executive Director (shared with other sports), and some part-time positions receiving an honorarium. Besides the PEICA executive, each of the seven curling clubs on PEI has one voting representative on the Board of Directors. The PEICA Board meets bi-monthly during the curling season. As well, executive members and a number of committees meet regularly. Each club will have a representative on the Junior Development Committee and an Event Chair for the Event Committee and to chair provincial events being hosted at their club.
