Prince Edward Island Curling Hall of Fame and Museum Objectives

To encourage the development of the sport in all its aspects by permanently recording achievements and history of the sport.

To establish and maintain a repository for the official archives of curling on Prince Edward Island.

To collect and secure memorabilia and artefacts relating to the history of the sport.

To give public prominence to the achievements of teams and individuals, past and present, who have brought honour or distinction to the sport of curling on Prince Edward Island.
